Monday 31st July 2017

11.00am in the VILLAGE HALL

1. APPOINTMENT OF new grass-cutting Contractor.

The 3rd year of a 3 year contract with Mr Seymour of Lutterworth cannot continue as he is too ill and two temporary contractors have been used to keep things in check. Two competitive quotes have been obtained on sight of the SPC- LCC contract, Schedule and map. Both requested to have £5M insurance for Work on the Highway.

Mr Cooper of North Kilworth has quoted **£50** per Green cut and **£120** per Verge cut. 16 Green cuts= **£800** 11 Verge Cuts=**£1320** The total would be **£2120pa**

Mr Peake of Shearsby has quoted for Green and Verges for March-October **£1800pa**

This year total will not reach that figure being 5 months into the cutting season with 3 months to go. Cutting is expected at 2-3 week intervals dependent on growth and inclement weather.

The council is required to show that competitive quotes have been obtained following SPC Standing Orders 5-6-7 then on receipt of a copy of the Insurance and agreement to those items within the LCC-SPC contract, issue a formal letter of appointment to complete this year's mowing. Further contracts may be decided on satisfactory completion.
