

Dear Councillor Reynolds

Thank you for letting us sight of the work that you have been doing on the Bruntingthorpe crossroads.

I've have been asked by our Chairman, who is on holiday at the moment, to let you know that you have our full support in seeking improvements to this crossing on the A5199. Many of the residents of Fleckney use this route on a regular basis and know how dangerous it is.

It does need the County Council to come forward with a viable scheme and if there is any way we can help with this do not hesitate to contact me.

Kind regards,

John Flower
Clerk to the Council
