Dear Sirs,

Just to confirm that the trading name of Mow How has now been completely finished, with only the TAX records remaining

From now on and as from 24th Oct 2015 all your work will be carried out by myself and Mr Heads who is my assistant under the name of Grown & Mown

Please inform Mr P. Bauldon of the change and we are sending him a Grown and Mown invoice for our work that was completed on the 25th when the Queen was completely mown.

Yours faithfully
