2nd April 2016

Dear Phillip,

I have now completed the first complete mowing at Shearsby P.C. This year.

~~Phillip~~ I am led to believe that the Insurance Cover I now have for Public & Employers has been accepted by Shearsby P.C. and meets their requirements, although I have only heard this on the phone from Mr D. Durran and have had no official confirmation.

If there are any problems please contact me A.S.A.P. If not please pay the enclosed invoice

Yours faithfully R.G. Seymour
