PRECEPT REQUIREMENT for 2017/18

We attach the sheet showing a 4% increase to £7328 that is due to our planned 3 year phased renewal of our 6 street lights that are too old to repair and to be converted to led.

The renewal is shown as the last item on the BUDGET ANALYSIS SHEET totalling £7232 before VAT which of course we reclaim.

One bracket light has been done already from 2016/17 budget and the other 4 will be cheaper being simpler pole top replacements.

This requirement and budget was agreed unanimously as ITEM 1 on the EGM held at 11am on Friday 13th January 2017 at the VILLAGE HALL.
