

Many people want to retain their independence and enjoy the comforts of their own home, but there's always the worry that living independently could mean living at risk.

Harborough Lifeline is an emergency telephone service available to anyone who feels vulnerable or alone, whatever their age or needs. We offer reassurance, support and peace of mind by providing a direct link to our local control centre and team of caring operators; that are here for you 24/7, 365 days per year!

Our lifeline units are quick and easy to use in an emergency. Our clients are provided with a pendant that serves as a remote trigger to their lifeline, which allows the user to summon help from anywhere in their property at the touch of a button.

If you would like to know more about our services, call today on **01858 464 499** for a chat and one of our friendly team will be happy to talk to you, or you can drop us an email at [lifeline@harborough.gov.uk](mailto:lifeline@harborough.gov.uk)
