What was the most helpful information throughout the event?	<ul style="list-style-type: none"> • General information • General outline • All relevant and interesting • Meeting HDC staff • Time for questions • Overall strategy • Outline of options • New requirements of the local plan • The timetables • Clarification of process and options • Explanation of development options • Options explanation • Paper copy for PC info centre • NHP consultations • Listening to the type of concerns from the floor • Questions with helpful answers • Nuanced explanation in greater depth that you don't get from written word • Rationale 			

<p>Is there further support HDC could provide you and your parish residents with to assist you in responding to the consultation?</p>	<ul style="list-style-type: none"> • Hard copies for clerks. Some have limited printing facilities • Probable support with neighbourhood plan • Unsure • Posters for advertising consultation • Would have to discuss with residents • Yes. Opportunity for more discussion on potential impact for parish. • Electronic form of posters to publicise consultations for printing and display by PCs and PMs • Template for NDP for settlements with limited developments • In relation to Neighbourhood planning production • Interesting as a new councillor • Housing allocation options • Discussion on the 9 options • Yes – more hard copy literature and advice to assist councils communicating to villagers • Summaries of the key points of the local plan in the poster/leaflet formats • Continued dialogue • Responsive so far
<p>General Comments</p>	<ul style="list-style-type: none"> • Useful • Well paced and informative • Good • Reiterate point about importance of community development budgets • Need community development workers to set up new groups and assist with integrating new residents with those already there • Infrastructure not all about physical environment • Encourage PCs to prepare email circulation to parishioners about consultations etc. I have found this useful for my PM. • Very informative and interesting • Good to know that parishes, however small, can contribute to the local plan. It is not clear how this can be done in practise. • Very useful event • Helpful • The event should have been longer to deal with all the questions with a break in the middle • Any further consultations should contain simple and understandable language please • Useful session. Valuable to be pre-briefed of the vast consultation coming forwards • Useful answers to questions. • Well presented and audible throughout well worthwhile • Very good –thanks • Inclusive
