healthier you?

To help, we've teamed up with health and wellbeing practitioners, health specialists, and local sports and leisure clubs to create a Healthy Harborough Directory - a 'one-stop-shop' for local sporting and healthy lifestyle needs.

With directory pages featuring local contacts, it is a great place to join local sporting communities and pursue a healthy, more active lifestyle.

The new directory brings information together at a single point for people who are seeking new leisure activity, new sporting communities or who just want to keep fit using local services.
