### Discussions

We held a film show of photographs of old Shearsby to identify them in readiness for placing on the website with as much information as possible. Only the first disc was completed on the night.

There were 79 photos in all showing views around the village, house renovations, aerial views, maps, bazaars, villagers from the 1890's onwards, Wallis's bus, 1953 flood in the Square, drawings of the church and of the windmill. Some photos of Knaptoft and Wigston were also included.

Martin R. will attempt to get them on the website over the Christmas period.

Next meeting - Monday 30<sup>th</sup> January, 7.30pm in the village hall.

Film night using the Council's projector and screen, looking at old photos and making a serious attempt to identify them and label them up. Disc 2.
