Dear Mr Baildon

### Transfer of land to Shearsby Parish Council

The Land Registry have now completed the transfer of the Village Hall and the Village Green into the name of the Parish Council.

I enclose a copy of the Register entries for your records. The filed plan remains the same but I enclose a copy of each for the sake of completeness.

The remaining matter is the grant of a lease to the Village Hall Committee. If basic terms have been discussed please advise me and I will prepare a preliminary draft.

If there are any queries in the meantime, please contact me.

Yours sincerely,
