"Absolutely brilliant
farm park, whatever
the weather!"
TripAdvisor Review

Hi there!

Mini Meadows Farm is our lovely children's farm set in 12 acres of rolling countryside on the Northamptonshire and Leicestershire border.

Come and meet our cute, not quite so cute, large and small farm animals. Learn what they eat using our colour-coded feed buckets, stroke the guinea pigs and rabbits, and if you're lucky you may even see a chick hatching!

Go exploring on our reservoir walk, build sandcastles in our huge indoor sandpit, and have fun on our fantastic indoor and outdoor wooden play areas.

Our cafe's coffee, homemade cakes and light lunches are delicious, and we also have picnic areas and lots of space to run off some energy.
