After lengthy discussion of matters pertaining to housing it was agreed that the interim report following the Community Engagement event of 7<sup>th</sup> February 2015 should form the basis of housing policy. At this event the views of parishioners were thought under the following headings:

Types of housing

Location of new buildings

It was agreed that Jane and Jonathan would process the data and present it at the Thursday meeting.

There was some general discussion on the type of new builds but it was not possible to reach a consensus.
