The Local Plan will consider policies that...

Local Green Space designations can help protect land and can be considered on sites that are close to communities, are special, hold local significance, and are not extensive.

Local significance can include:

- Beauty
- Historical significance
- Recreational value
- Tranquility
- Richness of Wildlife

Open space

The following sites in Shearsby (please see images and descriptions on the display boards) have been identified as meeting the criteria for Local Green Space designation and being afforded protection from development.

- Back Lane Green
- Bungalow Green
- Old Road
- Site of old Mill
- Wellford Road Bank
- Field at top of Fenny Lane
- Spinney in Second Close
- Spinney with Snowdrops

ARE THESE THE MOST IMPORTANT OPEN SPACES IN SHEARSBY? ARE THERE ANY OTHERS?
