

SHEARSBY NEIGHBOURHOOD PLAN COMMITTEE

GROUP 2: LAND USE POLICY

Dear Mr.....

The Parish of Shearsby has been accepted by Harborough District Council as a designated area for a Neighbourhood Plan, and the Parish Council has set up a Neighbourhood Plan Committee to develop this over 2015 and 2016.

Such a plan will help to determine what happens in our parish for the next twenty years, and we need to involve the people who live here and the persons who own land within the parish.

Group 2 is focussing on the land use policy, and, as a start we are collecting information about land ownership and use. It would be helpful to us if you could identify on the parish map attached, the fields which you own and indicate their use.

Should you wish to make a further contribution then you can do so in writing or by attending the next Neighbourhood Plan meeting which is scheduled for Thursday September 10th at 19.30 hours in the village hall. You can also keep up with progress on our website :- www.shearsbyparishcouncil.gov.uk

I enclose a stamped addressed envelope for a reply and thank you for your help.

Yours sincerely

Mavis Jeffery. Secretary to Group 2
