A number of hand written alterations and additions to the questionnaire were made

It was agreed that a letter based on that written by Mrs Jefferys was to be produced to accompany the questionnaire.

MINUTES OF THE BUSINESS GROUP4 MEETING

Time: 21-07-15 20:00h Chandlers Arms

Present: Alan Barnacle, Richard Kew, Eugene Blaine, Ralf Dahm.

Apologies: from David Alam and Paul Chawner

General:

It was agreed that David Alam would take up the role of chairman with Richard Kew as his deputy.

Requests to HDC for information regarding the names and addresses of businesses within the parish has so far failed to elicit a response.

There was some discussion of the type and location of businesses that may be acceptable to the parishioners.

Consultation:

The questionnaire with the hand written amendments was presented and it was agreed that the the amendments should be incorporated into a new master copy to be presented at the next meeting.

The modified letter to accompany the questionnaire was presented for approval at the next meeting.

It was agreed that a second questionnaire this time to seek the views of the parishioners was to be produced once the views of the business community had been established.

It was agreed that the possibility of making the village hall available for business meetings should be investigated. To this effect the chairman of the Village Hall Committee was has been consulted and has given his support for making the hall available for business meetings. He pointed out the desirability of supplying WiFi to the hall but stated that the installation of a broadband connection would involve considerable expense which was unlikely to be met by an increase in the rental income so that additional funding would have to be found.

The meeting closed at 21:00h
